## MISS PORTER'S PARTY FOR MISS BISBEE

Miss Bessie Porter was the attractive hostess at a charming porch party on Tuesday afternoon, Miss Florence Bisbee of Jacksonville being the attractive honor guest. Miss Bisbee is a lovely visitor and she has been charmingly entertained during her visit here as the guest of Col. and Mrs. Otis T. Green. Miss Porter's other guests were Mrs. Bernard Seligman, Mrs. Albert Davis of Jacksonville, Misses Pauline Sullivan, Eloise Miller, Alice Bullock, Grace Hatchell, Carrie Williams, Minnie Hendon, Annie Mathews, Annie Atkinson, Miss Emma Gray and Miss Emily Eskey of Savannah.

The front porch was screened in with beautiful dogwood blossoms, forming a very attractive bower for the four tables of logomachy, which was played progressively for an hour, Miss Pauline Sullivan winning the prize, an exceedingly pretty shirtwaist holder, and the honor guest was given a lovely fan, as a special favor of the afternoon.

Fruit punch was served on the piazza, and after the games the guests were asked into the library, which was prettily decorated with bowls of pansies and violets. Aa small tables in the rooms ice cream, cake and almonds were served in yellow ramekins, the cream being in yellow and white.

## WHISKEY STILL SEIZED

Sheriff Gordon and Deputy Sheriff Hutson succeeded in capturing a crude whiskey still at Daisy yesterday. It was constructed by attaching a piece of gas pipe to an old tin lard can, the pipe running through a water trough. The still was found in the smoke house of Willis Washington, colored. A pistol and a very large pocket knife was found on his person.

## GEIGER OPENS POLITICAL BALL

Mr. D. R. Zetrouer, one of the prominent citizens of Geiger, was in Ocala Monday, attending the session of the county democratic executive committee, and informed the editor of this paper that Geiger would open the political ball by giving a picnic on Friday, April 3, to which in particular the county candidates are invited, and everybody else generally.

Geiger has a reputation more than county wide for its unbounded hospitality in doing things, and if there were no intellectual treat in store, no mixing with the candidates and hobnobbing with the people, it would still be worth a visit to partake of the magnificent dinner it is so famous for preparing—but with a feast of reason, a flow of soul, a vision of pretty landscapes, to say nothing of mingling with its fair women and brave men, the promises and pleasures of the day are great indeed.

Get your speeches in readiness, Mr. Candidates, and in order not to millitate against the ethics of good taste, and add still more to the pleasures of the occasion, make them short.

All eyes will now be focused on Geiger until April 3.

Mr. Newton Knoblock of Martin was a prominent visitor in Ocala on Tuesday.

## A BANK'S CHARACTER

A bank's character is and should be determined by the standing and ability of its officers and directors. They must be men who have been successful in their own affairs and give careful attention to the bank's affairs.

The long banking experience of each of the officers of the Munroe & Chambliss Bank and the good standing of its directors, are reasons for the high character and sound judgment which has marked all of the bank's transactions

Gives One Hundred Dollars to Fire Sufferers

Congressman W. B. Lamar, Mrs. Lamar and the former's brother, Jeff Lamar, spent last night at the Tampa Bay. While here Mr. Lamar wrote the following letter, enclosing a check for \$100:

Tampa, Fla., March 9, 1908.

Mr. Ramon Fernandez, President Relief Committee, Tampa, Fla.:

My Dear Sir—I herewith enclose my check on Monticello Bank for one hundred dollars to aid those who are in distress from your recent disastrous fire.

My sympathy is extended to your citizens in their losses, but I know that Tampa spirit and pluck will restore the damage.

I would call upon you in person, but leave on the early train for Fort Myers. I am, with much respect,

Very truly yours,

## MR. MACKAY GRATEFUL FOR HONOR SHOWN HIM

Will Become a Candidate for County Commissioner and Gives His Platform

Ocala, Fla., March 9, 1908.

To the Voters of Precinct No. 1, Marion County, Florida:

Gentlemen—I feel highly honored, and sincerely grateful, for the mark of confidence that is evidenced by the numerous signed petition presented me to become a candidate for the office of county commissioner of our district. I prize this the more because it was totally unexpected, and unsolicited by me, and without one single question being asked me, or single promise made by me as to the policy or course I might pursue, should I be the successful candidate.

But in case of any misunderstanding or misapprehension on your part, I wish to state that I am in favor of the rigid enforcement of our laws, the maintenance of peace and good order; that I am in favor of hard roads, and of a liberal policy towards our educational institutions; but in all and every case, a careful and consistent conservatism of the best interest of all the tax payers of our county. That I will not be any man's man, or tool to any body of men, but I will at all times use my best judgment for the best interest of all the tax payers. That I am likely to make some mistakes, and at times disappoint some of my best friends.

With the above to be considered, I will accept the nomination and become a candidate, at the same time assuring those of my friends who from whatever cause, feeling or belief may differ with me, and vote or work against me, that there shall be no ill will cherished or displayed, and as I have never asked a man to vote for me for any office, my friends must not construe this to mean the lack of appreciation of their vote or due appreciation of the honorable position aspired to.

Respectfully,

GEO. MACKAY.
